

## Establishing Micro- and Millireactors worldwide

### Working as one team

- ✓ Continuous operation of our company is ensured
- ✓ Now working from home our goal is still to support you with your challenging projects, no matter if existing or new ones
- ✓ We offer online meetings e.g. Teams or Skype and are available via phone and e-mail
- ✓ Whether as engineers, scientists or sales experts, we all join forces to make your project a success. Just get in touch with us.
